# THE INDO-ITALIAN CONSENSUS MEET 2025

DR. PRAMOD CHINDER
ORTHOPAEDIC ONCOSURGEON

THE INDO-ITALIAN CONSENSUS MEET ON SARCOMA AND COMPLEX ORTHOPEDIC RECONSTRUCTION

WORKSHOP - 1 | 11:10 AM - 01:30 PM
ALLOGRAFT PREPARATION, USAGE & APPLICATION

5 DECEMBER, 2025 | TAJ WEST END, BENGALURU

About the Workshop

Allografts remain a powerful tool in orthopedic oncology and reconstruction. Yet, many surgeons hesitate to use them, often due to misconceptions about infection risk and lack of hands-on experience. This workshop will provide a practical overview on the safe use of allografts covering availability, procurement, harvesting, preparation, and long-term outcomes based on real-world clinical experience.

Faculty

Dr. Marco Manfrini
Orthopedic Surgeon
Orthopedic Oncology Unit,
Istituto Ortopedico Rizzoli,
Bologna - Italy

Dr. Vivek Ajit Singh
Professor of Orthopedics,
Head of Orthopedic Oncology Unit,
Faculty of Medicine,
University Malaya.

Dr. Ajoy S M
Associate Professor
Department of Orthopedics,
Ramaiah Medical College

globalhealthcareacademy.in/iicm

Key Highlights

- **Step-by-step guidance:** From procurement to surgical use
- **Debunking myths:** Infection risks vs. safe preparation techniques
- **Improving outcomes:** How to minimize discharge, infection, and long-term complications
- **Applications:** Tumor reconstructions, Large bone defects, Pediatric reconstructions, Revision surgeries

Learning Format

- Expert lectures on graft biology, harvesting, and handling
- Interactive discussions with case examples
- Practical insights on preparation techniques

Faculty & Experience

Led by the Orthopedic Oncology faculty with extensive allograft experience, this program emphasizes real-world protocols developed in high-volume oncology practice.

Who Should Attend

- Young practicing orthopedic surgeons
- Fellows and residents interested in musculoskeletal oncology
- Clinicians involved in reconstructive procedures

Registration

- Free workshop as part of the Indo-Italian Consensus Meet
- Limited Seats Available – ***Pre registration required***
